

Subject: Applying for the Junior React Developer Position - Alamgir Hossain

Dear Sir,

Reading your June 01 job posting in the newspaper for the position of Junior React Developer. I believe my experience is a strong match for the responsibilities of this role, and I'm pleased to submit my application for the position.

Recently I complete my course "complete web-development with Jhankar Mahbub". In that course, I learned the basic fundamental of React and complete some projects with react. So that I'm very much confident that I can do what you need from a junior react developer.

I have attached my [resume](#) to this letter. Through it, I hope you will learn more about my background, education, achievements, and awards.

If I can provide you with any further information, please let me know. I look forward to hearing from you about this opportunity.

Sincerely,

Alamgir Hossain
Professional Web-Developer
